

## **Bus services - reverting to original schedule**

### **Service S2 Kenilworth**

We have been advised by Warwickshire County Council that Warwick Road in Kenilworth will be open again with effect from tomorrow, Wednesday 24 September.

So that we have 24 hours for the traffic to shake down, we propose returning to the original route for the S2 with effect from **Thursday 25 September**.

This is the timetable which will operate from Thursday:

### **Service S2 Kenilworth - Coventry South Operated by Travel West Midlands Limited Tel 024 7681 7032**

Many thanks to everyone for their forbearance whilst all these works have been going on in the middle of Kenilworth.
