

Declaration

All parents or guardians who have parental responsibility must read and acknowledge the below declaration as part of their child(ren)'s application process to Crackley Hall School. Please refer to the government's website for information relating to parental responsibility, <https://www.gov.uk/parental-rights-responsibilities>.

All parents or guardians with parental responsibility have the legal right and responsibility in choosing and providing for their child's education. This agreement to the child being registered at the School is therefore required. The person submitting this online form has obtained the agreement of all other parties with parental responsibility to submit the registration form and accept the conditions of the declaration

By submitting the online registration form on our website and ticking to acknowledge that I/we have read the below declaration I/we understand that:

1. I/we (as the holders of parental responsibility for the above-named child) request that the above-named child be registered as a prospective pupil of the school and I/we acknowledge that registration of our child as a prospective pupil does not secure our child a place at the school but does ensure that our child will be considered for selection as a pupil at the school;
2. the school may obtain, process and hold personal data about me/us (which may include financial information provided by me/us or information contained in any court orders, petitions or proceedings) for the purpose of administering this application and admissions process
3. the school may obtain, process and hold personal data about my/our child, including special category personal data such as medical details and any information concerning my/our child's learning support needs and SEND for the purpose of administering its list of prospective pupils and administering selection procedures and ensuring the school meets legal obligations to my/our child including the school's obligations under the Equality Act 2010;
4. the school may obtain, process and hold personal data about me/us and my/our child for the purposes of seeking a confidential reference from my/our child's current educational establishment (if any) and confirmation that all fees have been paid, where applicable. I/we further acknowledge that the offer of a place will be conditional upon receipt of a satisfactory confidential reference from my/our child's current school;
5. in the event that my/our child is offered a place at the school, such an offer will be subject to the school's terms and conditions for the provision of educational services, which will bind me/us in the event (and from the moment) that I/we accept the place;
6. if my/our child is offered a place, such an offer will be subject to me/us confirming that my/our child has the right to enter, live and study in the UK and I/we confirm that I/we have enclosed with this form the required information confirming my/our child's right to enter, reside and/or study in the UK (see 'Documentation' further below);
7. I/we understand the school may, with reference to one or both of us: (i) undertake a credit check with a credit reference agency; and/or (ii) require me/us to provide the school with a bank reference and/or an up-to-date credit report (including a credit score).

All information is held securely on the Foundation's database and will be processed fairly and lawfully in accordance with the General Data Protection Regulation 2018. Your data will not be shared with any third party unlawfully.
